PRODUCT DESCRIPTION

Protein serves growth in the muscle mass and its maintenance after hard trainings. 44/44 PRO RECOVERY is a high quality, naturally sweetened protein supplement with “all-in-one” character. The combination of CFM whey protein, quickly available potato- and egg protein hydrolysates and micellar casein take care of a quick as well as a slow amino acid stream into the blood.

The carbohydrates in form of barley and rice starch hydrolysates serve the regeneration of the glycogen storage.

44/44 PRO RECOVERY is especially suitable for junior athletes in game and team sports with a focus on muscle mass build up.

Enriched with colostrum, cows first milk, as well as L-leucine and L-glutamine.

ADVANTAGES

- **High quality protein sources, among others colostrum**
- **Low in lactose**
- **No artificial sweeteners**
- **Convenient preparation with water**

UTILISATION

Suitable for ambitious athletes. Preferably 1 shake before and 1 shake after physical activities.

As part of a varied and balanced diet and a healthy lifestyle.
